

OS NIGHT PARADE

GUIDELINES

MANDATORY fire extinguisher on every float.

Check your generators for gasoline before starting.

Line up any time after 2:30pm. Be in place by 4:00pm. All streets will shut down after 4:30pm. Floats must be loaded with beads and riders before getting to front beach. There's no place to park down there for vehicles.

There will be 2 people signing floats in at the end of Jackson Ave. You will receive a float #. Have it exposed where it can be seen. We will try to get you through as quickly as possible.

Pull up behind the next float in line. This is important due to the volume of floats.

All riders need to be on floats at 5:50pm. We roll at 6pm.

Please no glass containers.

Please take care of all your trash and do not leave trash on front beach.

Once in route, DO NOT STOP.

Please stay close to the float in front of you to keep the parade flowing smoothly.

If the parade stops in route, STOP THROWING.

Do not get off the float once in route and moving. This is for safety reasons.

Please do not hand out alcoholic beverages from the float to spectators.

Do not throw any vulgar beads, trinkets, or underwear. This is a family parade.

PLEASE BE RESPECTFUL.

No individual wrapped candy. The City's Street sweeper cannot pick it up.

No obscene clothing is allowed.

No drinking allowed for drivers. They could be asked to provide a breathalyzer test.

If you have a medical emergency, please turn your sound system off and call 911!

Medical assistance will be provided throughout the parade route.

We want everyone to have a blast!

Thank you for being a part of the OS Night Parade.
