Your Trusted B2B Partner for Stainless Steel Piping, Valves, Flanges, Fittings & Sheets

COMPANY PROFILE

Tax Registration ID: 728-238-055
31B 26th of July St., Ramses, Cairo, Egypt

ABOUT OUR COMPANY

Nile Steel Trading & Supplies (NS Trading & Supplies) is a premier Egyptian B2B supplier specializing in industrial and sanitary stainless steel piping systems, stainless steel sheets, valves, flanges, and pipe fittings. Operating from our central commercial hub in Cairo, we serve top-tier clients across the Food & Beverage, Pharmaceutical, Chemical, Contracting, and Industrial sectors.

IMMEDIATE DISPATCH FROM OUR CAIRO WAREHOUSE TO MINIMIZE CLIENT DOWNTIME.

100% GENUINE STAINLESS STEEL MATERIALS BACKED BY OFFICIAL MILL TEST CERTIFICATES (MTC) MATCHING ASTM, DIN.

DIRECT SUPPLY LINES OFFERING OPTIMUM COMMERCIAL VALUE FOR MAJOR TENDERS AND RFQS.

OPERATING UNDER OFFICIAL COMMERCIAL REGISTRATION WITH PRE-PAYMENT TAX COMPLIANCE.

PRODUCT RANGE & TECHNICAL SCOPE

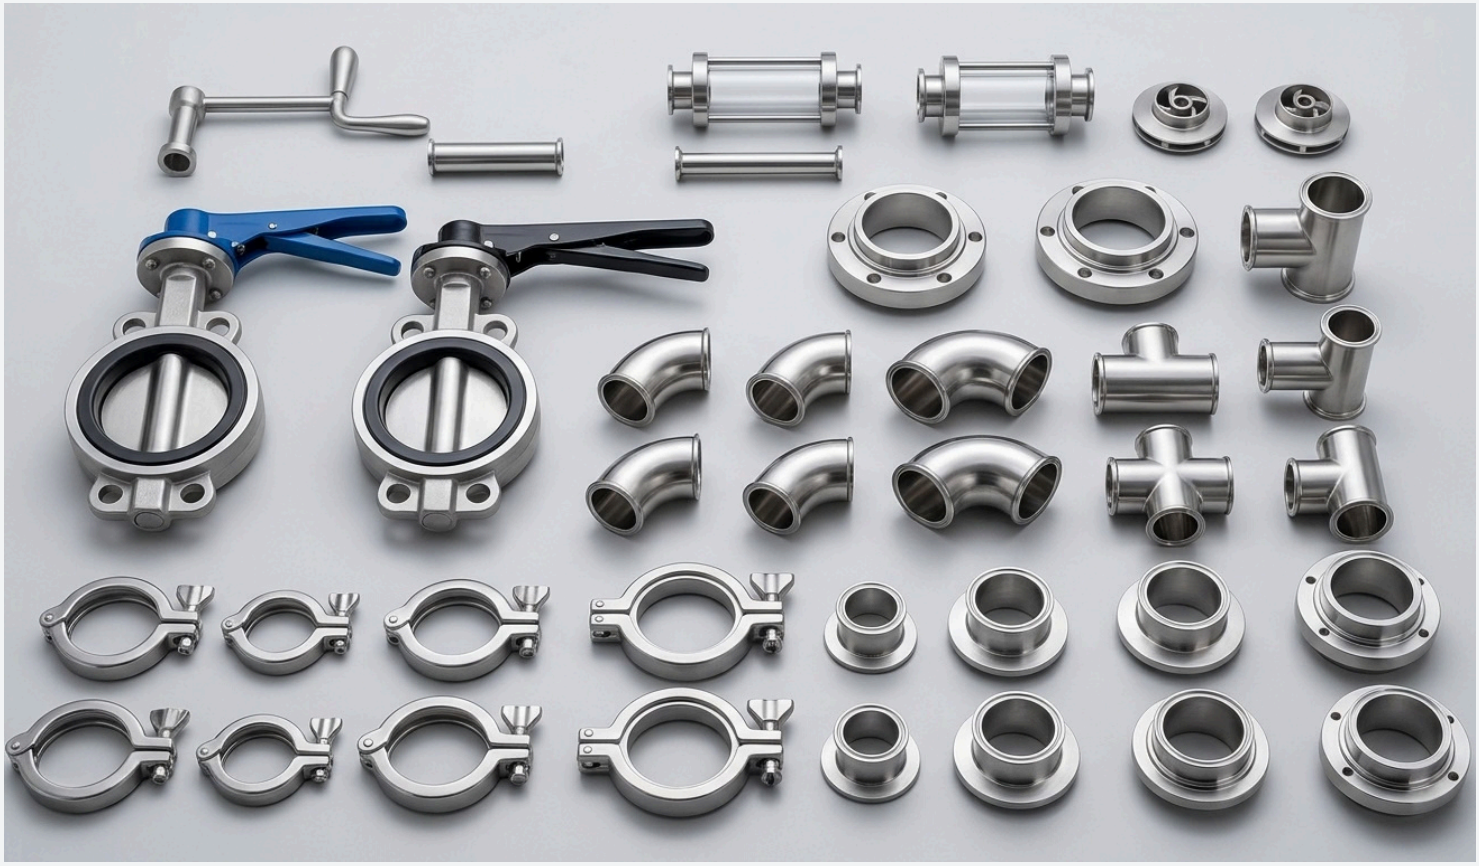

Stainless Steel Piping & Tubing

Seamless & Welded Stainless Steel Pipes (Grades 304 L / 316 L / 310)

Sanitary & Hygienic Tubing for Food, Beverage & Pharmaceutical process lines (ASTM A270 / A312)

Stainless Steel Flanges & Pipe Fittings

Weld-Neck, Blind, Threaded & Slip-On Flanges in Stainless Steel (ANSI / DIN / BS)

Seamless Elbows, Tees, Reducers, Caps, Unions, and Tri-Clamp Sanitary Fittings

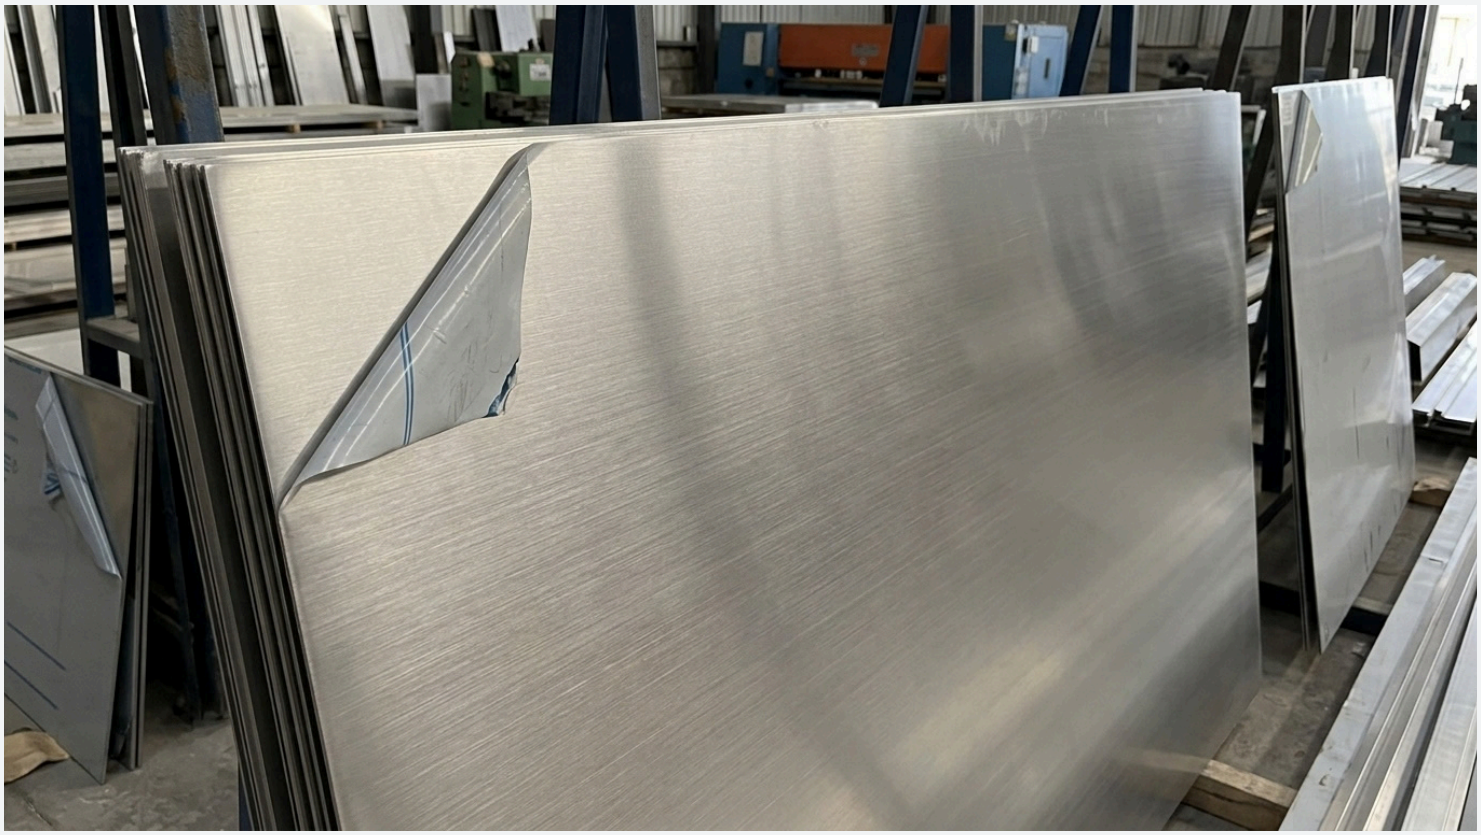

Valves & Flow Control

Industrial Stainless Ball, Gate, Check, Globe, and Strainer Valves

Hygienic Sanitary Butterfly & Tri-Clamp Valves for Food/Pharma

Stainless Steel Sheets

Grades 304 & 316L (Brushed No.4, Hairline, Mirror, and 2B finish)

Custom dimensions & thicknesses (0.6mm to heavy industrial sheets)

Values

01. Uncompromising Quality

Every product meets strict ASTM, DIN, and ISO standards backed by mill certification.

02. Supply Agility

Maintaining robust Cairo ex-stock inventory to eliminate project and production downtime.

03. Integrity & Compliance

Full adherence to Egyptian tax regulations, pre-payment compliance, and commercial ethics.

MISSION, VISION & VALUES

Vision

"To be Egypt's premier and most trusted B2B partner for certified industrial and sanitary stainless steel solutions, setting the benchmark for technical reliability, quality assurance, and supply chain excellence across the region."

Mission

"To empower Egypt's vital industries—including Food & Beverage, Pharmaceuticals, Chemicals, and Infrastructure—by supplying top-tier stainless steel piping, sanitary tubing, sheets, valves, and fittings. We guarantee 100% material compliance through official Mill Test Certificates (MTC), rapid ex-stock fulfillment, and uncompromised commercial integrity."

QUALITY ASSURANCE & SECTORS SERVED

"Every stainless steel shipment supplied by Nile Steel is accompanied by an official Mill Test Certificate (MTC) guaranteeing chemical composition, corrosion resistance, and full compliance with international ASTM, DIN, and ISO standards."

Food & Beverage

Hygienic SS 316L tubing, sanitary tri-clamp fittings, and process valves.

Pharmaceuticals

Ultra-clean stainless tubing and certified sanitary flow equipment.

Chemical & Industrial

High-grade corrosion-resistant SS 304/316 piping, valves, and flanges.

Contracting & MEP

Industrial stainless piping networks, steel sheets, and specialty fittings.
