TJayC

ABOUT

Born in Harare, and raised in Joburg, TJayC creates atmospheric music shaped by alternative R&B, hip-hop and electronic sounds.

Layered textures, deep bass, rhythmic percussion and evolving melodies define his approach, with experimental, indie and synth-pop influences expanding the palette.

SONG DESCRIPTION

‘Pocket’ is an alternative R&B track driven by a punchy bassline. It follows an ex-lover leaving an abusive relationship, told from the perspective of someone who wants to offer her care. The song pairs a relationship-centred narrative with TJayC’s atmospheric musical identity.
