Feel The Quality And Reliability in Your Hands..

WWW.HDMARMS.COM

ABOUT US,

HDM is a company specializing in designing of tactical and hunting shotguns and has been in firearms sector since 2005. We manufacture high quality and reliable tactical and hunting shotguns according to TSE, SAAMI and CIP standarts.

Today, HDM performs exportation to large geography from USA to South America, from Europe to Far East Countries.

We would like to personally thank each of you for making the right choice by considering and selecting HDM products. High quality products are always available at HDM.

At HDM, we also attribute great importance to the shooting sports and the environment and believe that hunters who use our products are helping to serve humanity by responsibly managing wildlife and habitat.

Our mission;
is to produce the products
safely with high quality
employing state-of-the-art
technology, to make delivery
promptly and accurately and
always to emphasize the
customer satisfaction with the
spirit of a team with the
environment, suppliers and
employees.
