WWW.HDMARMS.COM

ABOUT US,

We have been in firearms sector since 2005. We manufacture high quality and reliable tactical and hunting shotguns according to TSE, SAAMI and CIP standarts.

Today, HDM performs exportation to large geography from USA to South America, from Europe to Far East Countries.

We would like to personally thank each of you for making the right choice by considering and selecting HDM products. High quality products are always available at HDM.

At HDM, we also attribute great importance to the shooting sports and the environment and believe that hunters who use our products are helping to serve humanity by responsibly managing wildlife and habitat.

Our mission;
is to produce the products safely with high quality employing state-of-the-art technology, to make delivery promptly and accurately and always to emphasize the customer satisfaction with the spirit of a team with the environment, suppliers and employees.
