Chardonnay

RUSSIAN RIVER VALLEY / SONOMA COUNTY

{OROGENY}**CHARDONNAY**
RUSSIAN RIVER VALLEY

The geological term orogeny comes from Greek *oro*, mountain, and *-geny*, birth. Orogeny is the process during which the collisions and separations of the earth's crust form mountains. The last orogenic episode in Sonoma County created the Russian River Valley, the unique source for our grapes.

APPROVED FRONT LABEL ART

TASTING PROFILE

Ripe orchard fruit, citrus blossom and Meyer lemon unfold through a polished texture and a long, elegant finish.

RELEASE SPECIFICATIONS

VINTAGE	2025

APPELLATION	Russian River Valley
COUNTY	Sonoma County
ALCOHOL	13.8% by vol.
BOTTLE	750 mL
UPC-A	810204560268

PLACE & ORIGIN

Orogeeny takes its name from the geological forces that shaped Sonoma. In the Russian River Valley, well-drained soils, warm days and cool, fog-laced nights give Chardonnay its compelling sense of place.
