Commercial Cover Letter

Value I Bring to Seafood Businesses

Dear Hiring Manager / Potential Client,

I bring practical seafood industry knowledge, technical management experience and a strong food safety mindset.

My background continues building, training, feasibility, customer support and continual improvement.

I am passionate about helping seafood businesses strengthen compliance, improve systems and build customer confidence.

My goal is to support operators with practical, commercially focused solutions that protect product integrity and brand trust.

I would welcome the opportunity to contribute to your team and help drive measurable, lasting improvements.

Sincerely,
Radoslaw Wiatr
