RAMADAN SUPPLY OFFER

Deglet Nour dates and olive oils

ALGERIA • TUNISIA

Illustrative visual • Product presentations are non-contractual

01 Algerian Deglet Nour dates

Amber in colour, with delicate flesh and a naturally sweet flavour. Deglet Nour dates are ideal for breaking the fast, family occasions and gift assortments. Retail packs, family formats and trade packaging can be discussed to suit your needs.

02 Olive oils from Algeria and Tunisia

Two Mediterranean origins to enhance your range and complement Ramadan recipes. The selected origin, oil category, specifications and packaging will be set out in our individual proposal.

100% organic offer. Applicable certifications must be confirmed for the proposed products and destination market.

Your brand or our brand

An offer for importers, wholesalers, distributors, food retailers and businesses looking to create gift assortments.

01 Products under our brand

Add dates and olive oils to your range under our brand, with product presentation agreed to suit your market.

02 Packaging under your own brand

We can explore packaging bearing your company name, logo and colours. Options may include custom labels, languages suited to your customers and gift assortments combining dates and olive oil.

Customisation is subject to quantities, technical feasibility and production lead times. Actual product origins and mandatory labelling remain clearly stated.

03 Request your tailored quotation

Please send us your required products and quantities, preferred packaging, branding choice, delivery destination and target delivery date. For custom packaging, please include your logo and design preferences.
