Organizational background of PWDS

PWDS it is disable led non-Governmental organization that strives for social, humanitarian, charity, education, rehabilitation disability relief service organization that is committed to and strictly observes the disability principles of impartiality, neutrality and disability imperative, and safeguards the rights of the people with disabilities, other groups and toil to revitalize them in all aspect. And it membership consist of all people with disabilities and other groups in South Sudan and globe. PWDS was established 1997 by Nicola Ambrose and Lino Madut Nyipuoch joint in 2017 as group chairperson up to 2022 as an association registering person with disability cancelling in 2022 and formed union of person with disability instead of association; and got it branch to NGO founded by Lino Madut Nyipuoch on **20th December 2022 in Wau** and officially registered in RRC in 2023.

It is therefore a pure disability and other group relief initiative dedicated to contribute towards addressing disability and mentioned group challenges.

Mission:

To: Uniting all different impairments to advances the dignity, equal participation, and self-reliance of people with disabilities. We pursue justice on matters related to human rights.

Vision:

To: Envisions a society where all people are treated with equality, dignity and respect for their expressed choices, and who have equal opportunities to participate in a society where abilities, rather than disabilities, are recognized.

Guiding principles:

PWDS strive to promote the idea that “every person with disability has the inherent right to life and live with dignity and the integrity of his/her person.

- a. Equity:-PWDS in order to provide basic human services as a mean of achieving social justice and promoting fundamental human rights and rights of person with disability for all without unnecessary distinction.
- b. Respect for human or disability dignity of the needy: - PWDS shall treat non-disability and disability with dignity of the human person as scared and inviolable and a fundamental right in accordance with the just cultural and social, political norms of people.
- c. Proper and Humanitarian services: - All the intervention of PWDS shall be on advocacy and humanitarian basis and thus be tailored to be more acceptable, affordable and accessible to all groups.

Core Values:

- i. Taking direction from people with disabilities;
- ii. Plain and straight-forward language;
- iii. Diversity of cultures, education, disabilities and life experiences;
- iv. Keeping our commitments;

- v. Partnerships with people with disabilities;
- vi. Celebrating our victories and learning from our failures;
- vii. Respect for co-workers and members of the community;
- viii. Quick, effective responses to individuals and groups, with no duplication of services.
- ix. A “get things done” approach to meeting our goals;
- x. A responsible use of limited resources; and
- xi. The power of team work.
- xii. Transparency and accountability
