CERTIFICATE OF WORK COMPLETION

Client	Société Minière de Dinguiraye (SMD) S.A. – Lefa
Site	Crusher area – SMD Léro mine site
Project	Lero Crusher Power Line Bypass
Contract / Addendum	Contract PCON-0880-2024-000160 – Addendum No. AA-002 (PCON-0880-2024-000160-AA-002) – Ref. SMD-SOGEIP-07-2024
Contract period	From February 15, 2026 to March 13, 2026 (1 month)
Service Provider	SGIP SARLU – Société Générale d'Innovation et de Prestation

I, the undersigned, **Mr Adama FOFANA**, General Manager of **SGIP SARLU**, a company headquartered in Nongo, Commune de Lambanyi, Conakry (Republic of Guinea),

hereby certify on my honour that SGIP SARLU has carried out and fully completed the Lero crusher power line bypass works provided for in the above-mentioned Addendum, in accordance with the Scope of Work (Annex 2) and the Bill of Quantities (Annex 3), namely:

- Digging of 7 trenches up to 2 meters deep
- Installation of 7 twelve-meter poles
- Securing of the pole bases with rocks
- Pouring of concrete at the base of the poles
- Diversion of the overhead line along the haul road to an underground section
- Supply of 80 liters of petrol for the digging works

These works were carried out at the SMD Léro site (Lefa) in accordance with good engineering practice, electrical safety standards and the Company's HSE requirements.

I am aware that any false statement on my part will expose me to penalties in accordance with the rules in force. This certificate is issued for all legal and administrative purposes.
