Dr Selma Haj Khelifa, Doctor HDR holding a "Habilitation to Supervise Research in Management Sciences" in Banking & Finance. She is also the Head of the SME Chair, specializing in FINTECH at Cambridge Judge Business School.

Dr.Selma Haj Khelifa organized and led the second edition of **the Consulting Careers Insights Booster Conference in collaboration with Deloitte** for third-year students of the ISCAE Master II program.- Groupe -ISCAE-

The goal of this program, « **Consulting Career Insights Booster Conference** » under the **Theme : Big 4, Bright Future - Deloitte** – was articulated by career advisors including :

Mme Hind Gueddari, Head of HR, Deloitte

M Mohamed Brazi, Director -Financial Advisory, Deloitte

M Younes Aidir, Director – Audit, Deloitte

M Youssef Afify, Assistant Director -Conseil, Deloitte

Mme Marie Asti, Manager -Tax & Legal , Deloitte

M Saad EL Azzab, Assistant Manager -Financial Advisory, Deloitte

Mme Sarah Dchieche, Assistant Director -Tax, Deloitte

Students benefited from presentations on various sectors and business lines (Audit, Consulting, Risk Advisory, Financial Advisory, Tax & Legal). This conference has a dual objective: to project ISCAE students into their future professional lives, offer them internship opportunities, enhance their employability, develop their skills, and provide clarity regarding their career orientation for their end-of-study internships.

In addition to internships, students participating in this event can also receive personalized career advice and information about job opportunities at major firms and companies. Representatives from these firms also answer students' questions and discuss their professional experiences in the consulting industry.

This annual event is a unique opportunity for our ISCAE students to discover the services, values, and culture of major auditing firms and multinational companies, while building a strong professional network in the consulting field.
